Dear Sir,

SUB: Reply to TA memo no. 120020 / 14.09.2020 - Pre notice Consultation - Reg
REF: F NO: GEN/ADT/TAM/82/2020-GR 4

This has reference to your office letter dated 05/02/2021 stating Import duty for our Import of Aluminium Structural Parts are shortly levied.

In the regard, we would like to submit that, we are the Manufacturer of SFF-424, SF2-40.40 Aluminium Frame L=50~4000, which is used in the process of Industrial Automation and our Import of the said Aluminium Frames are **Raw Aluminium Hollow Profiles for our manufacturing purpose. We cut the raw aluminium profiles into our desired size based on requirement, process it (Drilling, Tapping, threading etc..) and use it in our manufacturing process.** This raw aluminium Hollow Profiles comes under the HSN Classification 7604. Our product is definitely not the aluminium frames prepared to be used in structures.

For Further confirmation, we import the same type of Raw Aluminium Hollow profiles from our group company, System Upgrade Solution Bkk Co., Ltd., Thailand for which we have obtained the Certificate of Origin, where it is clearly mentioned that it comes under HSN Classification of 7604. We have attached the COO and our product catalog for your kind perusal.

We have also attached our product catalog for your reference, from which it is clear that our Aluminium Profiles (Hollow Profiles) are used in the manufacture of Industrial Automation products.

We further confirm that these Aluminium frames (Aluminium Hollow Profiles) are NOT a structure to be used for bridge sections, towers, lattice masts, roofs, roofing frames, doors and windows pills, columns etc., hence it cannot be classified under 76109030/76109090.

We kindly request you to consider our reply and drop the Short Levy of duty - Pre-Consultation notice.

Thanking you.
